Beautiful, natural makeup on your special day
at your home or venue

Professional Bride only uses Cozmetic Labs Mineral makeup and Blinc Mascara. We are dedicated to organising and delivering natural, beautiful bridal makeup with a service that always makes the bride Number One!

Our comprehensive service for Brides, Bridesmaids and Mothers includes:

Initial Consultation

(booked at your convenience no less than 4 weeks prior to your special day)

We will visit you to discuss your ideas on how you wish to look. We colour match your skin tone, offer advice and apply the makeup and make any adjustments to ensure you are happy. We will also make an advanced plan for the wedding day to ensure the timing is perfect. Our trials also include Bridesmaids, Mother of the Bride and Groom and any other major members of the bridal party, although the Bride always remains the top priority.

In preparation for the trial we request:

- You have available colour swatches or ideas to complement your dress or flowers.
- Every major member of your bridal party requiring makeup on the day is in attendance and that all faces are cleansed and moisturised when we arrive.
- If you require us to liaise with your photographer to ensure your makeup enhances any special photography you have planned (such as black and white, sepia or special effects) now is the time to let us know.

Before the Wedding

Because we know situations can change after your initial consultation, your Cozmetic Lab Bride Professional is available at all times via email, telephone and for a revisit if necessary (chargeable).

Wedding Day - The timing of your makeup application will have been agreed at the Initial Consultation. We will arrive before the scheduled time and will apply the makeup according to the agreed schedule of bridal party members (generally the Bride will be last to ensure freshness and perfection). Again, our priority will always be towards the Bride and your Cozmetic Lab Bride Professional will stay with you until you are happy and ready to walk down the aisle.

As a special gift from us!

Because it's your special day, we'll arrive with a complimentary Bridal Essentials gift pack courtesy of Cozmetic Lab Professional Bride.
